The SUPER HERO

Message from the Principal

Dear Families:

I hope everyone enjoyed Spring Break. Quarter 3 was such a busy time. We hosted Science Night and held our Science Fair. During Quarter 4, our 4th and 5th graders will present their TedX speeches. We will also spend most of April testing our 3rd-5th grades in FSA. Please check the schedule to determine when your child will be testing.

May is a busy month, too! Kindergarten Registration is May 8th. The Jedi Masters Specials Area team will host Field Day May 12th. We will also have our annual Grade Level Awards Ceremonies the week of May 16.

As we wrap up our final quarter of the school year, I look forward to celebrating all of the student accomplishments.

Please do not hesitate to contact me if you have questions or concerns at grudolph@pasco.k12.fl.us or 813.346.1400.

Quarter 4 Goal Setting: Water Day

Our Quarter 4 Goal Setting Celebration will be on Wednesday, May 24. Students will be required to wear shorts and t-shirts. Please send a change of clothes. All students who meet their goals for Q4 will be eligible to attend. Please check your child's planner for his/her goal sheet and discuss these goals with your child. Thank you for your support.

EOY Awards Ceremonies

During May, each grade levels will invite families to celebrate the student accomplishments for the year. The K-4th grade celebrations will be held in the classrooms. Our 5th graders are recognized in the cafeteria. As a very special annual event that our students look forward to as their elementary school years come to a close. Please note the following dates and times for your child's grade level:

*Save
 the Date*

May 16: 2nd Grade: 1:45 p.m.

May 17: 1st Grade: 10:00 a.m.

3rd Grade: 2:00 p.m.

May 18: K: 10:00 a.m.

4th Grade: 2:00 p.m.

May 26: 5th Grade: 10:00 a.m.

USF Cohort

In April, our 10 USF final interns will graduate. We wish them the best of luck as they embark on their new teaching careers. Thank you for your hard work and dedication to our students for the past two years.

Quiet Campus

Our students have been diligently preparing for the FSA.

We want to provide these students with the best testing environment possible on these days. Testing will begin promptly at 10:00 a.m., and we will have a quiet campus all day. **Students who arrive after 10:00 a.m. will not be able to enter their classrooms if they are testing.** However, we would like to have all students in classrooms by 9:45 a.m. Please try to avoid scheduling appointments that require late arrival or early checkout during FSA days. Attendance is extremely important for every student. Please make every effort to have your child at school on time for all scheduled testing days.

During FSA we have a Quiet Campus policy. Quiet Campus means no visitors or volunteers will be allowed on campus on testing days. This policy is to provide the best possible testing environment for our students. During this time, adults will not be able to eat lunch with their children. Because we do not want to close the campus for the entire seven-week period, we have listed the specific days above on the Quarterly Calendar.
