Quiet Campus

February 16, 2017

Dear Super Hero Families,

As you may already know, our students have been diligently preparing for Florida's standardized assessments. Students in grades 3-5 will take the Florida Standards Assessment (FSA) over a period of seven weeks, not including make up testing.

We want to provide these students with the best testing environment possible on these days. Testing will begin promptly at 10:00 a.m., and we will have a quiet campus all day. **Students who arrive after 10:00 a.m. will not be able to enter their classrooms if they are testing.** However, we would like to have all students in classrooms by 9:45 a.m. Please try to avoid scheduling appointments that require late arrival or early checkout during FSA days. Attendance is extremely important for every student. Please make every effort to have your child at school on time for all scheduled testing days.

During FSA we have a Quiet Campus policy. Quiet Campus means no visitors or volunteers will be allowed on campus on testing days. This policy is to provide the best possible testing environment for our students. During this time, adults will not be able to eat lunch with their children. Because we do not want to close the campus for the entire seven-week period, we have listed the specific days below that we will implement Quiet Campus.

Thank you for your support.

Sincerely,

Valerie Hammen
Learning Design Coach, Testing Coordinator
