School Supply List

2017-2018

Get ready for another exciting school year! The teachers and staff thank you for all the supplies that are donated year after year. We have done our best to keep the cost down. Your child's teacher may request individual items at the beginning of the year. Please note the art and clinic wish lists, as those donations are always greatly appreciated.

Please do not label supplies unless noted. VES, like most schools in the county, uses community supplies.

Additionally, please note that rolling backpacks are not permitted on campus.
