

Doing our Part

Our school is participating in a district-wide program to collect food, supplies and more for victims affected by Hurricane Irma.

What can you do?

- *Students can write general letters to people who have been hit hard in areas like the Keys and Miami to provide encouragement and hope to these families. (We do not have any names, so students can write general letters)*
- *Donate supplies such as: Canned and non-perishable food, animal food and supplies (leashes, collars, etc.), toiletry items (baby wipes, soap, shampoo, etc.), small blankets, disposable silverware and plates, empty gas cans, trash bags, hand sanitizer, and towels.*

This drive will continue through Friday, September 29!

Thank you!
